

AKO CONSERVATION KIT

AN AMAZING OPPORTUNITY

The Lemur Conservation Foundation provides Ako Conservation Kits to educators to help students learn about lemurs and to inspire conservation action. The kits are designed for use with students in grades K-5. Ako Conservation Kits are provided without charge to qualifying educators. That's over a \$120 value for **FREE!** Please visit www.lemurreserve.org/ako-project for more information and to apply for your free kit today.
