Eulemur collaris

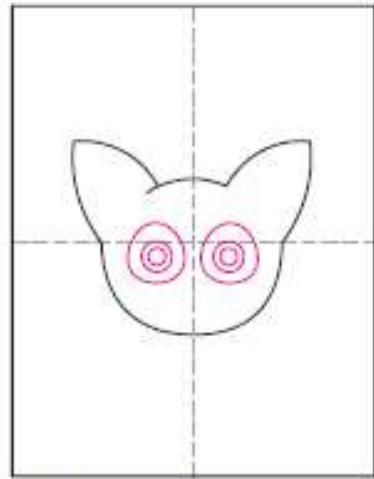

DRAW YOUR OWN LEMUR

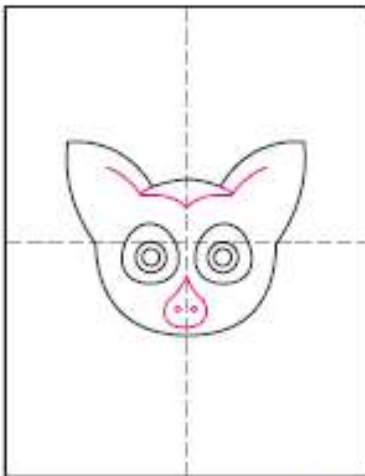

1. Draw a large U shape.

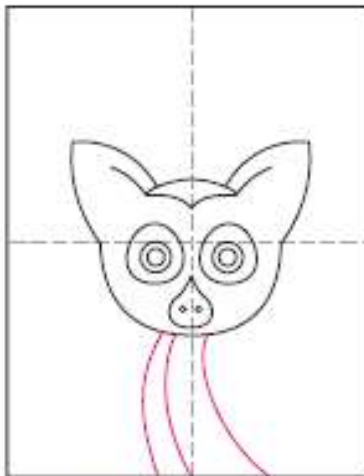

2. Add the ears and connect.

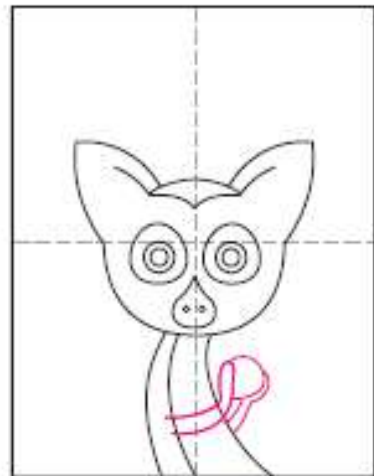

3. Draw eyes with rings.

4. Add the mouth and hairlines.

5. Draw the curved body.

6. Add hands holding a ball shape.

7. Draw a tail behind, add stripes.

8. Add a tree. Erase gray arm lines.

9. Trace with marker and color.

NOW YOU TRY

[illegible]

AYE-AYE

This lemur has ever-growing teeth and can chew through a coconut.
