

Ruffed Lemur Craft

Ruffed lemurs come in both black-and-white and red varieties. And within those types are even more small coloration differences. Feel free to decorate your lemur like a real one or come up with your own fantastical color creation!

MATERIALS:

- crayons or markers
- paper plate
- lemur template
- scissors
- glue or tape

INSTRUCTIONS:

Step 1: Color lemur template and use scissors to cut around the outside edge.

Step 2: Color the paper plate (one or both sides) then cut in a spiral shape.

Step 3: Glue or tape the colored lemur template to the top edge of the cut paper plate.

Step 4: Let the paper plate dangle, and now your lemur has a long tail!
